

MAG manual

If you follow the steps below on your MAG, it will be activated;

- 1. Press Settings**
- 2. Press server setting**
- 3. Press server 1**
- 4. Change "Portal URL" to <http://portal.bysinteractive.stream/c/>**
- 5. Press OK**
- 6. Go back to the main menu**

Restart the MAG.

Ps. before you follow the above steps, you must first provide us the MAC address of your box (this is located at the bottom of the box)
